Positive update

We are pleased to report that 29 households have provided their 2023 Pledge Cards noting their intention of supporting our five ministries. Please know that pledge cards are not contracts. Their use is to ask households to reflect on their giving goals for the new year, while considering what they know about the combined costs of supporting the five ministries.

Thank you from the Generosity Team!

We are planning some time before the Christmas Eve Service for individuals to share their musical talents. If you would like to sing or play a holiday song before the service on Christmas Eve, please let us know.

Thank you, Diane & Lisa VanDeurzen-Otey
