

We apologize for the temperature of the sanctuary. The main compressor unit at this end of the building is old and will probably have to be replaced. We are getting quotes, but this process will take time. So, please be patient, and for the next few weeks, dress accordingly. Thank you.

YOU MADE IT—the baking continues

During the Blueberry Festival we will sell blueberry pies, and baked goods, only here at the church. You can help by donating baked goods, preferably made with blueberries. Berries and pie shells are now available in the upstairs chest freezer. There are also some pie boxes, muffin tins with lids, and small plastic boxes also upstairs by elevator. If your donation is other than a pie, please mark on the outside what it is. Do know that having some sugar free items available is welcomed but please make sure it is labeled as such.

A signup sheet is in the Narthex to let us know you are baking, and what you are planning to bake.

Thanks to those who stepped up to help be sellers for the sale.
